# OUR PROJECTS

Title:

## Love 1.0

## Even Without You

"Love1.0 Even without you" is inspired by a true story. The story is uttered by Rumi who is well-known Ancient Period Poem. The story-line is framed by Rumi's wise quotes which brings out film's inherent connection and richness. It's simply modern age Romeo-Juliet story

## ENDURING: A Mother's Story

"Enduring" tells the story of Martha, an undocumented immigrant from Colombia. Martha came to NYC with her husband in search of a better life. Her reckless husband abandons her due to their son Felipe being diagnosed with severe autism. Martha fights a daily battle to survive. The abuse inflicted on her by the legal system and the medical system is made even worse by her slumlords constant harassment and advances. The film asks the moral question: What do you do when you see someone suffering?

# EDITING & MOTION-VFX

Video editing is the manipulation and arrangement of video shots.

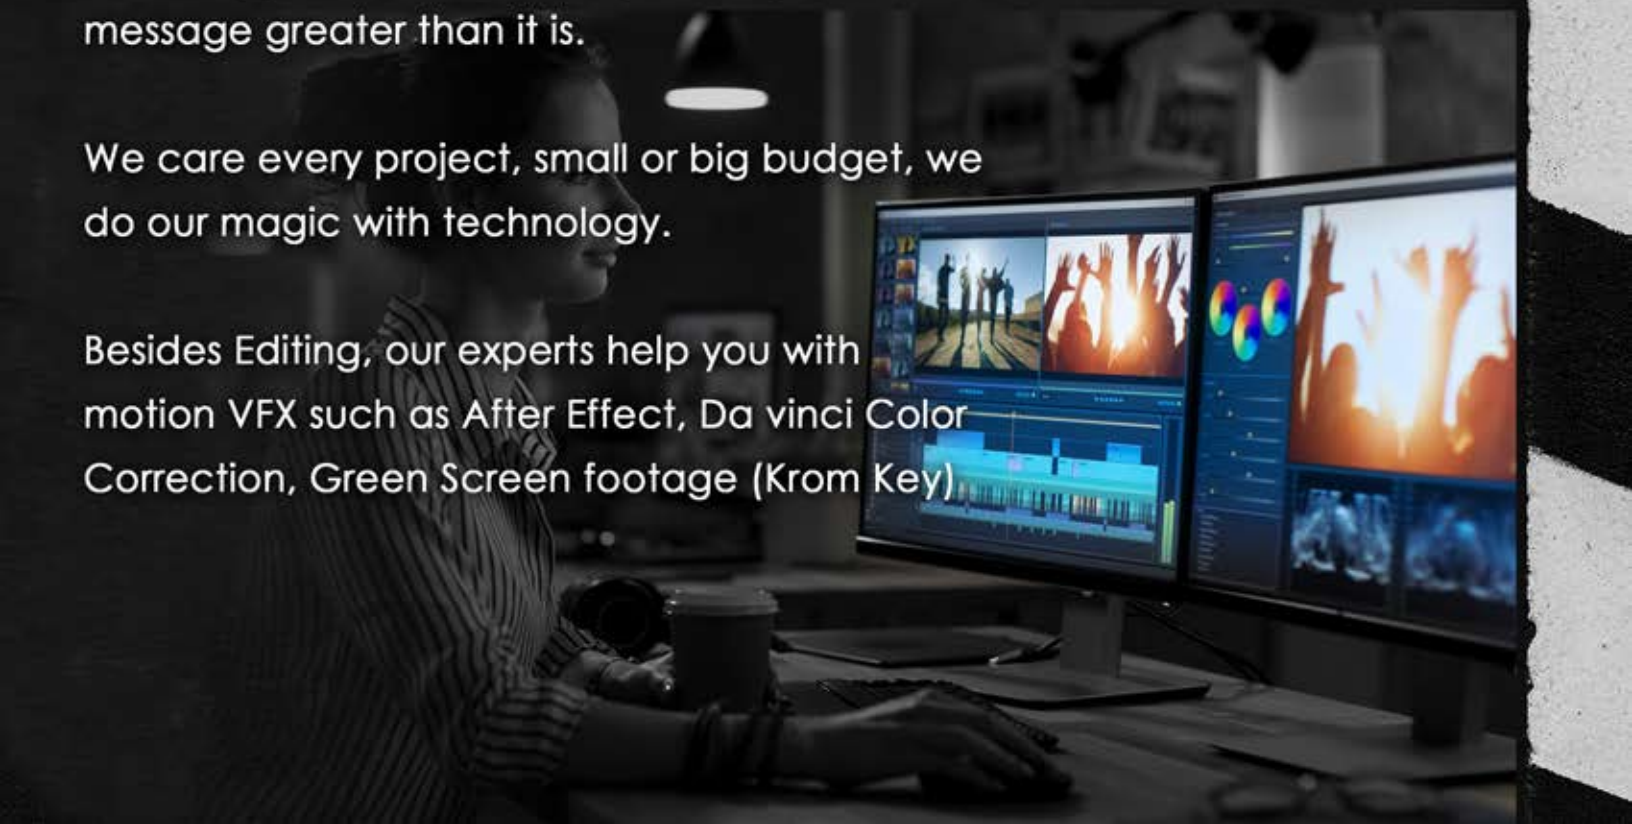

We believe that a good editor is like a painter, like Da Vinci or Picasso.

You can use a cell phone or an expensive camera. However, If you do not know how to edit your project, then you can not tell your story and your message will not be delivered right way to audience.

Our experienced industry professional Editors can help you how to make your story or message greater than it is.

We care every project, small or big budget, we do our magic with technology.

Besides Editing, our experts help you with motion VFX such as After Effect, Da vinci Color Correction, Green Screen footage (Krom Key)

# **EVENTS & FILM FESTIVALS DISTRIBUTION**

Synergy Motion proudly sponsor of Manhattanengefilm and Synergy Film Festivals.

Synergy Motion runs two international film festivals for 5 years and providing equal platforms for every individual independent filmmakers. Last few years thousand of filmmakers had chance to bring their projects to bigger audiences and meet with industry people

We are happy to create a unique network for directors, actors & directors.
